Your doctor has recommended that you use Women's Ultrasound Malvern. You may choose another provider but please discuss this with your doctor first.

We are located within Cabrini hospital. You can enter the hospital via the main entrance. Take area E lifts (on right as you pass reception) to the second floor.

Patient Information:

- Please bring this request form to your appointment to obtain a Medicare rebate.
- Please arrive 15 minutes before your appointment time.
- An internal (vaginal) scan generally provides better images in early pregnancy and for gynaecological examinations. Other techniques can be used if an internal scan is unsuitable for you or if you are uncomfortable with the internal technique. Please advise our staff when making the appointment.
- Malvern site: Limited street parking is available, there is parking at the hospital for a fee.
- Clayton site: Limited on-site parking is available. There is also street parking on Fregon Street, Murray Street (2P) and Browns Road (2P). Parking is also available at nearby Monash Medical Centre for a fee.
